

**UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF INDIANA
HAMMOND DIVISION**

Saladin J.Gipson ,

Plaintiff,

V.

United States Steel
Corporation and United Steelworkers
Local 6103,

Defendants.

Case No. 21-cv-00071 JTM-JEM

Motion of Defendant United Steelworkers Local 6103 for Summary Judgment

Defendant United Steelworkers Local 6103 hereby moves for summary judgment in this case. These are the reasons for the Motion:

1. Plaintiff complains that the Union settled his grievances, which included a grievance over his discharge, instead of taking them to arbitration. He alleges that the Union did this because of his race. The undisputed facts, though, show that the Union settled his grievances because it believed that they did not have the merit to prevail at arbitration.
 2. Plaintiff cannot identify any Caucasian employee that the Union treated better than him because of the employee's race.
 3. The decision to settle Plaintiffs grievances was made by the International Union, not Local 6103. However, the International Union is not a party to this case and is a separate labor organization. Plaintiff's claim against Local 6103 should therefore be dismissed.
- Wherefore, Defendant United Steelworkers Local 6103 respectfully requests that the Court grant summary judgment in its favor in this case.

Respectfully submitted
